Pearland, TX | aethomas1028@gmail.com | 346-414-1119 | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

EDUCATION

University of Houston

Bachelor of Science in Computer Science, GPA: 3.83

Houston, TX

Expected May 2026

TECHNICAL SKILLS

Languages: JavaScript, Python, C++, SQL, HTML/CSS

Frameworks/Libraries: React, Node.js, Express, pandas, NumPy, scikit-learn, Matplotlib

Developer Tools: Git, GitHub, VS Code, Jupyter Notebook

Concepts: Object-Oriented Programming, Data Structures and Algorithms, REST APIs, Data Cleaning, Machine Learning Basics

PROJECTS

Personal Portfolio Website | *React, Vite, JavaScript, HTML/CSS, Git*

2026

- Built a responsive personal portfolio website to showcase technical skills, projects, and contact information
- Created reusable React components for sections including Hero, About, Skills, Projects, and Contact
- Styled the application with custom CSS, focusing on clean layout, spacing, responsiveness, and readability
- Managed source code using Git and GitHub

Data Science Regression Project | *Python, pandas, scikit-learn, Matplotlib, Jupyter Notebook*

2026

- Cleaned and prepared a dataset for regression analysis by handling features, separating inputs and target values, and creating training and testing sets
- Trained a linear regression model using scikit-learn to make predictions on unseen test data
- Evaluated model performance using R-squared, mean squared error, and root mean squared error
- Visualized model results and interpreted how features contributed to prediction performance

EXPERIENCE

Pappasito's Cantina

Houston, TX

Server

August 2025 – Present

- Manage high-volume service during peak restaurant hours while maintaining accuracy, professionalism, and strong guest communication
- Use point-of-sale systems to process orders, coordinate with kitchen staff, and handle multiple customer requests efficiently
- Build relationships with regular customers through consistent service, attention to detail, and clear communication

BB's Tex-Orleans

Pearland, TX

Server

January 2025 – August 2025

- Provided customer service in a fast-paced restaurant environment while managing multiple tables, guest requests, and order accuracy
- Communicated with guests and team members to support timely service and positive dining experiences

Pluckers

Pasadena, TX

Server

August 2024 – December 2024

- Handled high customer volume while assisting with table service, food running, and guest support in a fast-paced environment

University of Houston Campus Recreation

Houston, TX

Member Services Representative

February 2024 – August 2024

- Assisted patrons with facility information, program questions, front-desk support, and policy communication
